Dear *Tim*

Thank you very much for your support of the British Three-Day Event Squad, which means a lot to all of us.

It is backing such as yours that makes it possible for us to put together the whole package that is going to give the riders the best possible chance of winning medals.

We are all very much looking forward to your continued support of the Squad.

With best wishes and many thanks.

Yours sincerely,

Yogi Breisner
Performance Manager
