Dear *Mr Timothy Holderness-Roddam*

Just a note to say thank you so much for all the help and effort you put into making the European Championships possible, it was an amazing experience and I thoroughly enjoyed having the opportunity to take part. Without the contribution of sponsor's financial backing, and trainer's time and commitment it would not have been possible. It was a privilege to represent my Country and a memory I will hold onto for a long time.

Thankyou Once Again

Dear Mr Holderness-Roddam,

I would just like to thank you for your generosity in supporting myself and the rest of the junior European event team.

Unfortunately my horse sustained a minor injury and was not able to showjump on the final day but luckily the injury is not long term and he has already made a full recovery which just fuels me on to coming back next year and doing even better!

With much appreciation,

Camilla Dumas

Dear Mr Hodderness-Roddam,

I would just like to express my appreciation for your support for the British Junior Greenting Team at the European Championships in Belgium, of which I was a member. Nothing would be possible without the support of people such as yourself so I am very grateful. Although the team did not have the best of luck, it was a wonderful experience and we were all thrilled for Dani Evans, who won Silver. I felt very proud and privileged to be part of such a great team, we will all come back fighting next year. Once again thank you.

Yours sincerely,
Gie Paterson

Dear Mr Holderness - Roddam,

6th October 2009

Thank you very much for all the support and funding that you gave to the Junior eventing team this year.

Without such support it would be difficult to achieve what we managed to achieve, and it is a great help. All the training and such like is extremely helpful.

Thank you very much once again.

Yours sincerely,

Giles Blanchard.
